An act to add Section 33009.7 to the Education Code, and to add Section 15491 to the Government Code, relating to public meetings and hearings.

LEGISLATIVE COUNSEL'S DIGEST

SB 312, as amended, Romero. Public meetings and hearings.

Existing law establishes the State Board of Education for the purpose of, among other things, studying the educational conditions and needs of the state and making plans for the improvement of the administration and efficiency of the public schools of the state. Existing law requires that the State Board of Education adhere to specified requirements relating to meetings and hearings. Existing law establishes the State Allocation Board, consisting of specified members and charged with specified duties, including, but not limited to, determining how bond funds are allocated for public school construction and modernization projects. Existing law requires the State Allocation Board to adhere to specified requirements relating to meetings and hearings.

This bill would require the State Board of Education and the State Allocation Board to provide for live video and audio transmission of all meetings and hearings that are open to the public through a

technology that is accessible to as large a segment of the public as possible. The technologies to be used would include, but not be limited to, cable, *satellite, over-the-air, or any other type of transmission that can be accessed through a television, and Webcast*, ~~or the K-12 High Speed Network~~. *The State Board of Education and the State Allocation Board would be required to ensure that any Web cast transmission implemented pursuant to these provisions be transmitted over and accessed through the K-12 High-Speed Network.* The State Board of Education and the State Allocation Board also would be required to consult with the State Chief Information Officer for the purposes of implementing the provisions of the bill.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.
